

I am writing in regards to the possible change from FM to LPFM in my area. I am concerned that if this change takes place I will no longer be able to receive the FM station that I love so much, K-LOVE. I listen to K-Love every day and feel it is an important part of my daily life. I believe it is in the best interest of myself and my family, plus many other people I know who live in this area that this broadcast be allowed to continue. K-LOVE has been extreamly important to the healthy growth of my children, and contributes daily to the positive incouragement that my whole family thrives on. I believe it is in the publics best interest that you allow K-LOVE to continue. It makes changes in peoples lives like no other medium can, and I know it has benefitted many of my friends and aquaintences. If the broadcasting service changes and we are no longer able to receive K-LOVE it will impact the continueing health and growth of many indiviuals. Please, do not make any changes that would take away K-LOVE. Thank you,
Lori Stanley
